Hubble, bubble, toil and trouble

Twinkle, twinkle, magic star

Come and see our angel fish

The octopus goes trampolining

Is that a donkey singing?

Watching squirrels through the window

Where is the cat?

Which bit's the stick insect? (I can't tell...)

Will we? Won't we? Need our wellies?

Hurry, hurry, hurry, hurry up - we're late!

There's a hole in the sole of my wellie

Three and a half pairs of socks

Did you look under the sofa?

Have you fed the cat?

Have you fed the guinea pigs?
