

Kopogjuk: A kar vállból irányított, folyamatos mozgást végez,
az ujjak könnyedén érintik a zongora fedelét.

Klatscht: Der Arm führt eine vom Schulter gelenkte, kontinuierliche
Bewegung aus, die Finger berühren den Deckel leicht.

A két kéz felváltva játszik — Die zwei Hände spielen abwechselnd

A musical staff in common time (2/4) showing a steady pattern of eighth notes. The right hand (indicated by a '3' below the staff) plays the melody on the upper strings, while the left hand (indicated by a '1' below the staff) provides harmonic support on the lower strings.

A musical staff in common time (2/4) showing a steady pattern of eighth notes. The left hand (indicated by a '2' below the staff) plays the melody on the upper strings, while the right hand (indicated by a '1' below the staff) provides harmonic support on the lower strings.

A musical staff in common time (2/4) showing a rhythmic pattern of eighth and sixteenth notes. The lyrics 'Cí-cím-kím' are written below the staff, with the first three syllables aligned with the first measure and the last two with the second.

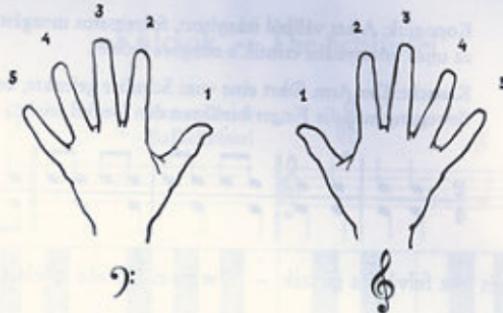

Cí-cím-kím kelj fel. itt a jó tej-fel.

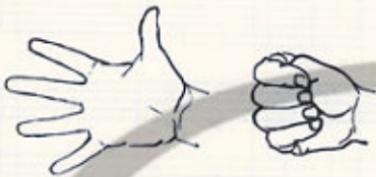

A musical staff in common time (2/4) showing a rhythmic pattern of eighth and sixteenth notes. The lyrics 'Fecskét lá-tók.' are written below the staff, with the first two words aligned with the first measure and the last two with the second.

A musical staff in common time (2/4) showing a rhythmic pattern of eighth and sixteenth notes. The lyrics 'szólj sip' are written below the staff, with the first two words aligned with the first measure and the last one with the second.

A musical staff in common time (2/4) showing a rhythmic pattern of eighth and sixteenth notes. The lyrics 'szólj sip, szólj, for-ró viz-be tesz-lek, on-nan is-ki-vesz-lek, szólj sip, szólj!' are written below the staff, with each word aligned with its corresponding measure.

Kéztornák — Handturnen

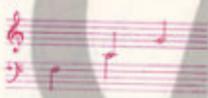

1. Nyitás - csukás

1. Öffnen - schließen

2. Az ujjak lendülettel megülik a hüvelykujjat

2. Die Finger schlagen den Daumen mit Schwung

Az alábbi dalok fekete billentyűkön is játszhatók:

Die nachfolgenden Lieder können auch auf den schwarzen Tasten gespielt werden:
