Music by Miles Davis

This song is taken from the best-selling Jazz album of all time, *Kind of Blue*. Recorded live in 1959, trumpeter Miles Davis merely laid out the main themes of each song for the band, before the tape started rolling. The band had only one take for each song, and the result is both a stunning record and a portrait of an exceptional group of musicians.

Hints & Tips: Always keep it simple and don't be rushed. Try playing along with the CD, leaving Cannonball and Coltrane to play the inner riff.
