PIANO PLAY-ALONG

Each volume in this series comes with a CD of orchestrated arrangements. The music in this book matches these recorded orchestrations. There are two tracks for each—a full performance for listening, plus a separate backing track which lets you be the soloist! The music even includes a separate vocal staff, plus guitar frames, so you or your friends can also sing or strum along!

The CD is playable on any CD player, and is also enhanced so Mac and PC users can adjust the recording to any tempo without changing the pitch!
