

HOW TO READ TABLATURE

In tablature the lines represent strings. The numbers appearing on the lines indicate frets (0 = open string). In the following example a C chord would be played. (1st string open; 2nd string press down on the 1st fret; 3rd string open; 4th string press down on the 2nd fret; 5th string press down on the 3rd fret; and, finally, do not play the 6th string.)
