## PROGRAM NOTES

Led Zeppelin was an English rock band formed in 1968 by Jimmy Page (guitar), Robert Plant (vocals), John Paul Jones (bass guitar, keyboards, mandolin) and John Bonham (drums). The band has sold an estimated 200 million albums worldwide, including over 100 million albums in the United States, and had all of their original studio albums reach the top 10 of the Billboard album chart in the U.S.

After disbanding in 1980, the band continues to be held in high regard for their artistic achievements, commercial success, and broad influence. *Rolling Stone* magazine has described Led Zeppelin as "the heaviest band of all time" and "the biggest band of the '70s."

## NOTES TO THE CONDUCTOR

This arrangement should be approached in a “straight ahead” rock fashion. You are encouraged you expose your drumset player (or percussionists) to the recordings of John Bonham’s drumset playing to permit understanding and interpretation of the various percussion styles in this arrangement. On occasion, the drumset solos are written out while others are noted that the player simply “fill” those measures.

The opening drumset solo to “Rock and Roll” should be energetic—almost brash—leading into the full ensemble entrance at measure 5. At measure 38, the horns and saxes should soar over the ensemble in a “quasi” guitar style solo.

At measure 38, “Immigrant Song” should be approached in a slight militant style with the accented notes having extra emphasis, e.g., measure 49. Feel free to adjust the presence of the tom-toms during this section as they will give the arrangement more emphasis. Also, the 3rd/bass trombone should feel free to adjust the octaves should your player(s) have difficulty with ranges during this section.

Beginning at measure 82, “Black Dog” features an alto saxophone soloist. This solo is also cued for solo trumpet as well. Feel free to adjust the dynamics of the ensemble to accommodate the soloist. In measure 131, the tempo should pull back to  $q = 80$  for the ritard. This should make for a smooth transition into “Kashmir.”

At measure 132, the tempo should be kept steady at  $q = 80$ . This should allow for the sixteenth notes and the general rhythms not to be rushed during this section. Feel free to adjust the dynamics for the melodic lines over the ensemble. At measure 176, there should be no ritard leading into the grand pause at measure 177.

At measure 177, “Stairway to Heaven” begins with a woodwind choir and should be approached in an ethereal, almost floating fashion. At measure 193, feel free to adjust the dynamic of the trumpet soloist during the woodwind choir. At measure 205, the tempo increases slightly. Articulations should be played with the utmost clarity during this section so that the tempo increase does not become sluggish. At measure 213, the tempo increases slightly again. Feel free to adjust the dynamics during this section so that the melodic line comes through the ensemble. At measure 223, the brief fanfare should be brassy and articulated clearly. From measure 231 to the end, the arrangement should drive to the end with the exception of the trumpet soloist, which should be wistful yet moving forward. The restatement of the fanfare at measure 253 should be majestic, giving way to the big finish.

\*Percussion note: It is intended that drumset will be used in the performance of this arrangement. If a suitable instrument or player is not available, feel free to use separate instruments; snare drum, bass drum, ride cymbals, and two toms.
