Welcome to Essential Elements Patriotic Favorites! The arrangements in this versatile book can be used either in a full concert band setting or as solos for individual instruments. In each student book, the SOLO pages appear at the beginning, followed by the BAND ARRANGEMENT pages. The PERCUSSION book includes parts for both Percussion 1 and Percussion 2 of the full band arrangements. The KEYBOARD PERCUSSION book includes a SOLO version as well as the band arrangement.

The supplemental CD recording includes 2 versions of each selection - a full recording of the band arrangement and an additional track for use as a solo accompaniment. A PIANO ACCOMPANIMENT book is also available separately.
