

# *Grand* SOLOS FOR *Piano*

11 PIECES FOR LATE ELEMENTARY PIANISTS

*Melody Bober*

When I was a young piano student, nothing thrilled me more than receiving a new piano solo from my teacher. It was always something unique and challenging, yet fun to practice and perform.

Students today are no different; new music is still fun and exciting to receive. In that spirit, I have written *Grand Solos for Piano, Book 3*, to provide the same experience for today's performers. This collection contains music in a variety of keys, styles, meters and tempos, offering students a great learning experience as well as helping them progress technically and musically.

I sincerely hope that you will enjoy these *Grand Solos for Piano!*

Best wishes,

*Melody Bober*
