This is our home, We've got ev-'ry gen-er-a-tion.
My ti-ti-a Pe-pa, Her mood af-fects the weath-er.

So full of mu-sic, A rhy-thm of its own de-sign...
When she's un-hap-py, Well, the tem-p'ra-ture gets weird.

This is my fam-ily, A per-fect con-stel-la-tion.
My ti-ti-o Bru-no— (We don't talk a-bout Bru-no!) They

say So man-y stars, and, ev-'ry-bod-y gets to shine.
he saw the fu-ture, One day he gets dis-ap-peared.
