First note

Verse

Moderately

1. The Queen of Light took her bow and then she turned to go.

The Prince of Peace embraced the gloom and walked the night alone.

Oh, dance in the dark of night,

sing till the morn - The Dark Lord rides in force to - night, and

time will tell us all. Oh,

throw down your plow and hoe, rest not to lock your home.

As

side by side, we await the might of the darkest of them all.
